

LOOKING FOR A CHANGE, TAMINMIN COLLEGE IS LOOKING FOR BPL ADVISORS.

Why Teach Big Picture at Taminmin College?

Taminmin College is a vibrant independent public school located in Humpty Doo, just outside Darwin. As the only school in the Northern Territory with a working agricultural facility, Taminmin offers a hands-on, real-world learning environment that aligns perfectly with the Big Picture Learning philosophy—personalised education that empowers students to follow their passions through project-based learning and authentic experiences. We currently offer Big Picture Learning in Years 8, 9, and 10, with plans to expand into additional year levels. This is an exciting opportunity to help shape the future of student-centred education in the Territory.

What does Taminmin College offer?

Expansive Campus: Includes agricultural and vocational training facilities, with programs in horticulture, animal husbandry, and more.

Diverse Pathways: Offers education from Years 7-12. Whether students are university-bound, pursuing a trade, or exploring creative or entrepreneurial interests, Taminmin supports a wide range of academic and vocational pathways. The school's inclusive approach ensures every student can thrive and succeed on their own terms.

Exceptional VET Programs: Taminmin College is the largest school-based Registered Training Organisation (RTO) in the Northern Territory. It offers nationally recognised training to students in Years 10-12, helping them gain real-world skills and qualifications across a wide range of industries. Students can earn Certificate I to III level qualifications in areas such as agriculture, automotive, construction, hospitality, and business.

Why Live in the Northern Territory?

Relaxed Lifestyle: Enjoy a slower pace of life with a strong sense of community and connection to nature.

Adventure at Your Doorstep: Explore Kakadu and Litchfield National Parks, go fishing in pristine rivers, or take a weekend road trip through the Top End.

Tropical Climate: Warm weather year-round and stunning wet season skies.

Welcoming Community: Darwin and the surrounding areas offer a friendly, down-to-earth lifestyle with a strong local spirit.

Who We're Looking For

- Passionate educators who believe in student-centred learning.
- Experience or interest in Big Picture Learning or project-based education.
- Willingness to engage with the local community and culture.
- A sense of adventure and openness to the unique lifestyle of the NT.
